**Certificate of Approval as a Manufacturer
and Supplier of Spare Parts for Bundeswehr Aircraft Systems**

Certificate No: BWB-3321M - J01/08/01

In accordance with § 30 of the German Air Navigation Act (LuftVG) and in conjunction with Bundeswehr Joint Service Regulation ZDv 19/1, the company

**JK Defence & Security Products GmbH
Industriering Ost 74
D-47906 Kempen**

is hereby approved by The Federal Office of Defense Technology and Procurement (BWB) as a manufacturer and supplier of spare parts for Bundeswehr aircraft systems, subject to the restrictions stipulated in the attached Annex.

The company is qualified to manufacture and supply spare parts for Bundeswehr aircraft systems listed in the attached Annex and establish their airworthiness in accordance with applicable regulations. To this end, the company maintains a quality management system suitable for this work.

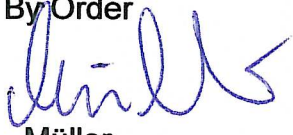

This Certificate is based on my verification and on continuous monitoring of the company facility on the basis of the civil aviation requirements as adapted to Bundeswehr aircraft systems, and on the product and performance related quality assurance requirements as laid down in the Annex. This Certificate is valid until the date below unless it is prematurely returned, temporarily suspended or revoked in total or in part.

The validity of this Certificate is subject to the application of the established quality management system and to the maintenance of the quality and performance level as certified. Any amendments to the system documentation shall require my prior approval.

**This Certificate is valid until:
31st August 2010**
